Necklace with White Gold and Onyx Balls, circa 1930

This necklace consists of alternating onyx and hammered white gold balls, kept together with heavy links and rings of bright gold. The effect of the necklace, the design of which corresponds to one from Jean Despres, circa 1930, is both powerful and elegant.

L: 17.55"

Au: 194g 18 Karat (750)

4 Onyx - Dia: 25 mm + 1 Onyx 7 x 13 mm

Edition of 25
