White Gold Collier with Onyx, Germany 1930's

We had a silver chain with black, polished ebony pieces as a model for this collier. The simple angular onyx pieces of our remake contrast to the round flexible parts of white gold. The German design dates from the 1930s. The designer is unknown to us.

L: 17.6"

Au: 16g 18 Karat (750)

1 Onyx 25 x 15 +2 Onyx 25 x 10mm

Edition of 25
