Art-Deco Ring with Brilliants, circa 1930

The anonymous designer has very skillfully shifted the two penetrating surfaces. The surface with the brilliants seems to emerge from under the brushed, golden surface and place itself on top of it. Designed circa 1930.

L: 1.01"

Au: 15 g, 18 Karat (750)

37 Diamonds: 0.40 ct. W-vsi

Edition of 100
