Mocha Set - Sylvia Stave, 1920's

This Mocca set was designed for the Guldmedsaktiebolaget in the 1920s. The set, which can also be used for tea, was produced in a silver plated version, probably in several copies. The distinct form and the consideration for the function (e.g. the handles, which are very comfortable to grip) show the master class of this piece of work.

Pot:	Creamer	Sugar Bowl
H: 5.46"	H: 1.48"	H: 1.95"
Dia: 5.07"	Dia: 2.89"	Dia: 3.51"
Ag: 665g (925)		
Edition of 100
