Box with Lid - Nils Fougstedt, circa 1927

Originally, the box was designed in pewter, but the lasting quality of the 78 year old design shows also in our remake in sterling silver. A simple, but fine detail is the circular flutes on the lid, giving the box its lightness.

H: 1.76"

Dia: 5.85"

Ag: 390 g (925)

Edition of 100
