Pastry Slice - Hans Przyrembel, 1925

Hans Przyrembel used the same idea for the handle of this pastry slice as he had for the tea glass holders. The slice, designed in 1925, is very handy for serving smaller pastries and biscuits. One more utensil for the tea ceremony. As a basis for our remake, we had two slightly different models.

L: 4.80"

Ag: 58g (925)

Edition of 100
